Things to keep in mind

- Adding the overall experience with the event will act as a flavor enhancer.
- Remember here event does not refer to personal events such as Birthdays, get togethers etc.
- Add Events such as MUNs, Annual functions, Sports meet, Seminars, Debates etc.

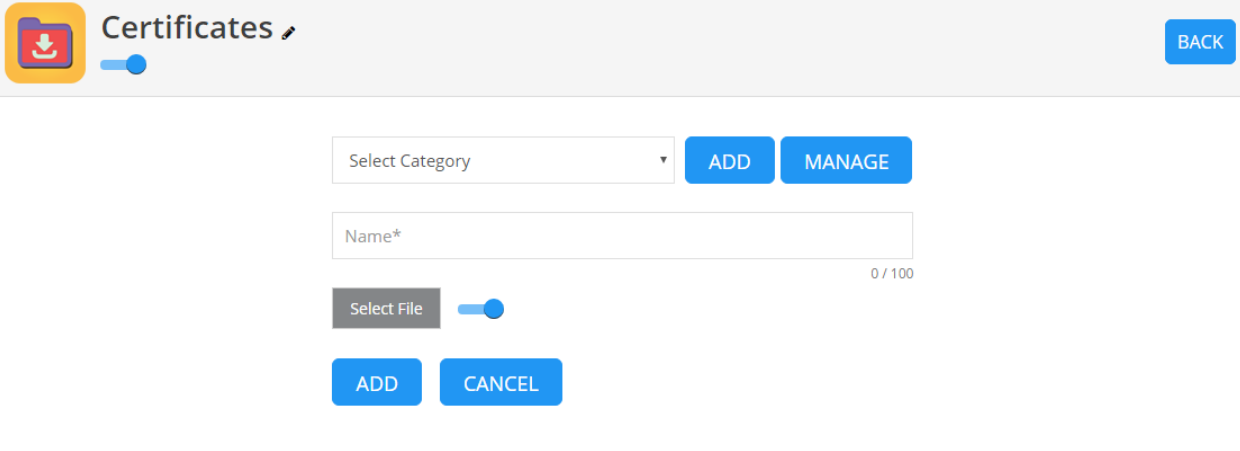

Certification

Go to the link "Certification"

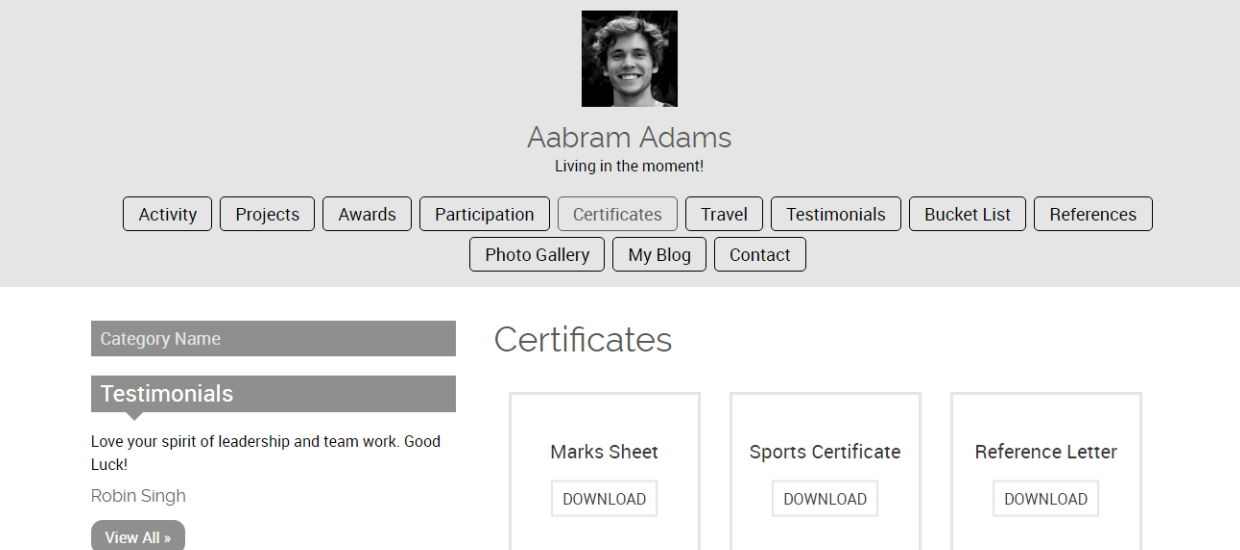

- **Certification:** Save all your vital documents and certification with the option to limit its visibility.
 - Upload all your project work saved in a doc or pdf file.
 - Scan the original copies of the certificates you acquire, or click pictures of your certificates and upload the same in image file formats.

Click "Update" button to finish

Upload your certificated here

And see your achievements on your website

Things to keep in mind

- Upload all your project work saved in a doc or pdf file.
- Scan the original copies of the certificates you acquire, or click pictures of your certificates and upload the same in image file formats.

Wow! These two modules are a cinch and your website looks great!

Do the best you can until you know better. Then when you know better, do better.
